Empowering Children to Stay Safe Awareness Sessions

Empowering Children to Stay Safe Workshops

Empowering Children to Stay Safe Awareness Sessions

Purpose:	To equip, empower and inspire participants with an awareness of key personal safety messages to maximise the 'people safety' of their own children or children in their care. Note: 'People safety' refers to any threat to a child perpetrated by known or unknown adults or other children including various forms of abuse, bullying and abduction.
Duration:	2 hours
Target audience:	Parents, carers, teachers, social workers, counsellors, support workers, child protection workers, community workers, childcare providers, youth workers and service club leaders (e.g. Guides and Scouts).
Participant numbers:	Up to 200 participants
Learning objectives:	On completion of this session, participants will gain an awareness of: <ul style="list-style-type: none"> • Dynamics of child abuse • Indicators of abuse • Dangerous personal safety messages and practices • Fundamental safety messages to empower children • Supportive strategies to maximise children's safety
Learning methods:	Lecture-style presentation with visual aids. Participants will have the opportunity to ask questions.
Testimonials (2007):	'Excellent. Learnt so much, thank you!' 'I'll be pushing this at my P & C.' 'Very good content. Well done!' 'I would like to be able to listen and learn more. It is a very important subject.' 'Very useful information. All teachers should have the opportunity to participate in this workshop' 'Information was research-based and strategies discussed were practical' 'Presentation very suitable for parents' 'Very scary but really important to know' 'Great refresher of issues/ideas. Really impressed with course facilitator's knowledge. Has made me think of strategies I need to start using at home with my child.'
